Outdoor living areas offer an extension of indoor space or additional areas for entertaining or relaxation. At Baltazar's Stone, we supply all the essential elements to create a unique design and your perfect outdoor living area, beginning with our vast selection of natural flagstone, tumbled stone pavers, retaining wall stones, boulders, and steps.

Craving something more? We carry an array of fireplaces, fire-pits, kitchen islands, and pizza ovens that can be faced with stone, brick or stucco for the customized look you desire.

Baltazar's has everything you need, right down to the finishing touches: chimney caps, cooking grates, fire brick, and more.
